

REPORT ON 2021 F2 (CONTROL LINE) WORLD CUP

F2 World Cup competitions may be flown in the classes F2A (Speed), F2B (Aerobatics), F2C (Team Racing), F2D (Combat) and F2F (Team Racing). All the World Cup F2 classes with the exception of F2F have perpetual trophies.

47 World Cup competitions were scheduled covering the F2 classes as follows:

F2A (Speed)	22
F2B (Aerobatics)	27
F2C (Team Racing)	17
F2D (Combat)	26
F3F (Team Racing)	8

Because of Covid-19, CIAM cancelled all competitions from 1st January to 30th June which left the following numbers of F2 World Cup competitions still on the 2021 FAI Sporting Calendar:

F2A (Speed)	11
F2B (Aerobatics)	12
F2C (Team Racing)	9
F2D (Combat)	16
F3F (Team Racing)	3

After CIAM's decision on cancellation of competitions I emailed all organisers asking if they were going to re-schedule for 2021 or postpone them to 2022. Most organisers replied. Of those that did reply the amended number of competitions for 2021 was:

F2A (Speed)	5
F2B (Aerobatics)	9
F2C (Team Racing)	5
F2D (Combat)	10
F3F (Team Racing)	3

However some competitions were invalid because the results showed that there were competitors from only one nation competing. (There must be a minimum of two nations competing in any F2 World Cup competition.) Others were declared invalid as no results had been submitted. So the valid competitions in each class were as follows:

F2A (Speed)	3
F2B (Aerobatics)	5
F2C (Team Racing)	3
F2D (Combat)	4
F3F (Team Racing)	2

Given the number of valid competitions in each category, it can be seen that only F2B had enough competitions to have a World Cup classification but no Juniors competed. (The Ranking Table appears overleaf.)

It should be noted that despite F2D only having four valid competitions it still fielded four female competitors three of which were Juniors.

F2D (Female)	Invalid		
F2F (Senior)	Invalid		
F2F (Junior)	Invalid		

The individual competition full results, Jury reports and the cumulative results for each class were uploaded periodically to the F2 World Cup page of the CIAM website. Previous years' full results and Jury Reports going back to 2010 continue to be available on the same page and this makes a first-class archival facility. It would be good if there was a similar page for all Aeromodelling FAI Championships.

The Final Rankings on the website were published on 23rd November 2021.

The Final Cumulative Results for class F2B were uploaded to the website, and this report sent to CIAM, on 7th March 2022.

This concludes the 2021 F2 World Cup Report.
