56	72.910
57	72.930
58	72.950
59	72.970
60	72.990

72 mhz These frequencies are assigned "exclusively" for model airplanes in Argentina. It means that the Office of Telecommunications will not assign these frequencies to anybody else. It is a different concept than "legal".

ALSO TODAY IS LEGAL TO USE THE RADIOS THAT ISSUE IN 2.4 GHZ
