description : (please print)

'Man of the Year 2012' in the aeromodelling category 'Lotnicze Orły 2012' polish plebiscite polls,

WIERZBA during his 40 years activity In the aeromodelling take his special care of the popularization of the aeromodelling in media. He is the author of many publications and reports on an aeromodelling. Since 2012 he has been cooperating with Institute of Aviation of Poland presenting aeromodelling especially at the annual event so called 'Night in Institute of Aviation'. It is a huge event presenting achievements of the science, industry and aviation sports. Bogdan WIERZBA Turing his 40 years activity In the aeromodelling take his special care on the popularization of the aeromodelling in media. <https://www.facebook.com/media/set/?set=a.1036403889751089.1073741875.118440408214113&type=3>

WIERZBA was awarded with 'Honored Member of Sport Aviation' badge by Aero Club of Poland.

He is also the originator of 'From Modeling to Aviation' foundation (1996-2005) that helped to survive well known Warsaw Aeromodelclub. His another initiative was to persuaded local government to locate 'Aeromodelclub' in 'Bemowo Culture Centre' (modern culture institution in Bemowo district that has an aviation origins) in 2006. His determination and numerous modeling events helped to achieve that aim.

Bogdan Wierzba is also initiator of 'AeroMusicals Show' on the „Wrocławskie Święto Sportu – The World Games Expo” that promote Wrocław to be the host of The World Games in 2017.

From 2006 Bogdan Wierzba is the Member of the Aeromodelling Commission of the Aero Club of Poland (Secretary).

Since 2007 he has been involved with the organization of the FAI Young Artists Contest in Poland.

He is also National Team Coach Assistant for F3P and F3P-AFM classes also the Coordinator of 'Aeromodelclub' at 'Bemowo Culture Centre'.

'Aeromodelclub' at 'Bemowo Culture Centre' is a place that helps kids and youngsters develop their aviation passions. Moreover meetings with such well known Polish pilots as Marek Szufa, Janusz Centka, Artur Kielak show the young people the right way in their life. But Bogdan Wierzba the greatest success is his alumni successes. Some of them they are now pilots, constructor engineers and scientists:

- Adam Przekop – works for NASA for 15 years
- Jacek Mainka – the captain of Wizz Air airlines
- Piotr Wasylczyk – the scientist of Physic Department at University of Warsaw
- Mateusz Urban – the plane and glider pilot

Bogdan Wierzba recent achievement was to conscript Polish National Team on 1. FAI F3P World Championship for Indoor Acrobatic Model Aircraft in Coburg, Bayern (2013). Polish pilots gained a lot of experience there and Bogdan Wierzba, as a National Team Leader, decided to organize 2. FAI F3P World Championship for Indoor Acrobatic Model Aircraft in Poland organized in 2015 – already accepted by Aero Club of Poland and FAI - The World Air Sports Federation.

Michael RAMEL the S/C Aerobatic Chairman - reported that 2015 FAI F3P WChs for Indoor Model Aircraft were organized perfectly.

Piotr Kowalski the aeromodelling athlete coughed by Bogdan Wierzba will represent Poland at 2015 WAG In Dubai In class F3P-AFM.
