### 5.6.3 COMPETITOR INVITATION PROCEDURE

#### 5.6.3.1 Round 1

After the deadline for NACs to accept their invitation to compete, invitations shall be sent out to nominated pilots up to the maximum number per eligible NAC as given in the Event Information.

#### 5.6.3.2. Round 2

After the closing date for Round 1 additional invitations will be sent out.

A pilot may only qualify for the second round of invitations provided their NAC has responded within the time limits and have taken up all their initial invitations.

Invitations for Round 2 shall be in accordance with the Ranking Method and up to the maximum allowed for the event.

#### 5.6.3.3 Round 3

Following a request by the organiser to the CIA, a further round of invitations may be sent out as in Round 2.

Invitations will follow on from where Round 2 ended.

Invitations will only be sent out up to the maximum total number of competitors the organiser is prepared to accommodate.

Invitations will not be accepted later than 60 days for World Championships and 45 days for Continental Championships before the start of the event.

### 5.6.4 ENTRY CONDITIONS

#### 5.6.4.1 Pilots-in-Command

Pilots-in-command shall have been authorized to act as pilot-in-command of the sub-class of aerostat for which the first category event is held. At least twelve months prior to the start of the event. Each pilot-in-command shall have accumulated at least 50 hours as pilot-in-command of aerostats of the sub-class by the closing entry date, except for the junior events where it shall be at the start of the general briefing

These experience criteria may only be modified by the CIA for a specific subclass of aerostat, under special circumstances claimed by the organising NAC.

#### 5.6.4.2 Ranking Method

The number of additional invitations to each eligible NAC shall be determined by the results of the previous similar event. Additional places will be allocated according to each NAC's ranking positions and in the same order as in the final results of this event.

#### 5.6.4.3 Limitation
