Subject: [casi-bureau] SPORTING CALENDAR - REGISTRATION OF EVENTS

Dear Mr President, Dear CASI Bureau Members,  
General Section 3.4 reads:

"REGISTRATION OF INTERNATIONAL SPORTING EVENTS. The FAI maintains and publishes an International Sporting Calendar. In order to be recognised, an International Sporting Event must be registered in the FAI Sporting Calendar by the NAC organising it. Such registration must be received by the FAI Secretariat a minimum of three months before the starting date of the event."

With modern communications (Internet publication of the FAI Sporting Calendar), we feel that the three-month requirement is now too long for 2nd Category competitions. Some of these (eg in paragliding) are organised at quite short notice. We believe that "a minimum of thirty days" would now be acceptable for 2nd Category competitions.  
Please consider making an appropriate General Section amendment.

With best regards,  
Max Bishop  
Secretary General
